

Art & Soul on the Fox Artist Application 2019

Enter your answers carefully as they will be used to communicate with you AND will also serve to connect interested individuals to your art on our website and on your booth placard.

Your application to the show will be considered by the jury ONLY when this application, your \$15 jury fee, and four (4) images of your recent artwork have been received.

Please read the following statements carefully, then enter your initials in the next step to indicate that you AGREE to the terms of the application as listed below.

1. I understand that my \$15 jury fee is non-refundable.
2. If I pay the combined jury and booth fees when I apply, my booth fee will be returned within 10 days of the jury's decision if I am NOT accepted into the show.
3. Regardless of the quality of my work, my acceptance into the show may be dependent upon the total number of applicants in my medium since Art & Soul on the Fox is a balanced show. Neither previous participation in Art & Soul on the Fox nor any awards I have won at a previous show will guarantee acceptance.
4. My application will be considered complete ONLY when my \$15 jury fee, this application, and my jury images have been RECEIVED.
5. My booth payment IN FULL for Early Bird and Regular booth fee applicants must be received no later than March 31, 2019. If I have NOT paid my booth fee by the March 31, 2019 payment deadline, my original application will be VOID and I must go through the entire application process again! This will not only risk my chance to participate but will require that I reapply, pay a second jury fee, AND the LATE booth fee regardless of the date of my original application date.
6. NO refunds of any portion of my booth fee will be issued if I withdraw after May 1, 2019 regardless of the reason. If I have paid my booth fee and withdraw on or before May 1, 2019, I will receive a 50% refund of my booth fee.
7. I give permission for my jury images (or higher resolution images) to be used in promotional materials including large 24" x 40" posters displayed in area businesses in advance of the event.

This is a CRUCIAL element for the jury's decision making process! Read by the jurors as your images are viewed and included on the event website for accepted artists. Provide as much insight as possible into the PROCESS by which you create your art and your connection to it.

PLEASE keep your artist statement brief and concise - think about an "elevator speech" you might make to a gallery curator! The character limit is 200. Do NOT include your name, the names of other shows you have participated in, or awards you have received.
